

# Western Pennsylvania LENSHOOTERS

DECEMBER 2024 EDITION

## CRITIQUE NIGHT

Please plan to join us on December 11 at 7:00pm at the Peters Township Library. We will break down into groups and critique fellow members photos. Please submit up to 3 photos you would like to have critiqued. Email those photos by December 9th to David Tauch at [dtauch127@gmail.com](mailto:dtauch127@gmail.com).

Wear your holiday colors for a festive evening!

**CONGRATULATIONS**  
to John Migyanko for winning the November "Thankful" homework theme. Tony Tye was the Honorable Mention.

### December Homework Theme

With the craziness of the holidays, we didn't want to throw one more thing into the mix. This month will be "Your Choice". It can be that one great film photo that you took in 1970 or a photo from last month that didn't fit the theme assigned. Your choice! Please submit to David Tauch at [dtauch127@gmail.com](mailto:dtauch127@gmail.com) by January 3rd.
